## Congratulations! Your new account is officially open.

Did you know you can get even more out of your digital banking experience when you download our mobile banking app? With mobile banking, you can complete everyday banking tasks at home or on the go, including:

### Checking account balances

Know exactly how much money is in your account (and when it's there) with real-time updates

### Making deposits

Deposit a check in just a couple of snaps using your smartphone or tablet

### Paying bills

Never visit a biller's site again to pay a bill; do it all from the palm of your hand

### Transferring funds

Quickly and easily move money

### Reviewing transactions

Keep tabs on your money movement from anywhere with real-time updates

### Locating ATMs and branches

Use the locator in our app to find a branch or ATM near you

### Reviewing statements and documents

Reduce the clutter from paper statements and conveniently review all pertinent information from one spot

### And more!

Once you've installed the app, you can do things like:

Set up biometric login

Activate account alerts

Sign up for eStatements
