Only graduating high school seniors who plan to attend college in Mississippi are eligible to apply for this scholarship. The money awarded will be paid at the beginning of the student's freshman year and is issued directly to the Mississippi college, university or community college of the student's choice.

If the student is chosen as a scholarship recipient and decides to change his/her college destination to a school outside of Mississippi, the scholarship money must be forfeited, and the runner-up will automatically be awarded the scholarship.

Although scholarship coordinators will diligently seek to set a time for the finalist interviews that will be acceptable to all parties involved, we cannot assure each finalist that the chosen time will be convenient for him/her. Therefore, each finalist must be on time and present at the interview session selected by the scholarship committee in order to be considered for the scholarship. If the chosen finalist cannot be present, he/she will not be considered for the scholarship, and another alternate will be named as a finalist.

By signing below, I certify that I have read the rules governing this scholarship and agree to abide by them.
